## FAQ

★ **Do I need to provide insurance?**

Yes. All retreat groups must provide proof of liability insurance, including abuse liability, and Forest Cliff Camp must be named as an additional insured party. Please connect with [bookings@forestcliff.ca](mailto:bookings@forestcliff.ca) to discuss options for uninsured groups.

★ **Will there be any other groups on-site during my retreat experience?**

All Forest Cliff Retreats (Property Rentals and Hosted Retreats) give your group exclusive access to our facilities. For overnight retreats, our staff remain on-site in separate accommodations.

★ **Will the Health Care Centre be in operation during my retreat experience?**

No. Retreat groups are responsible for bringing and distributing all medications and first aid supplies for the duration of your stay.

★ **Is there Wifi?**

Guest Wifi is available in the main Dining Hall Complex. Passwords will be provided to group coordinators upon arrival. However, if you are looking for your guests to have a “getaway” experience, we might recommend not accessing Wifi during your stay.

★ **Can we bring groups of families? Is there a discounted rate?**

Yes, we have various accommodations suitable for families who are looking for an awesome way to connect by getting outside and enjoying our camp property as well as our activities! The per person rates remain the same, but children ages 0-5 may attend free of charge with an accompanying adult. Some activities may not be suited for children under 5 due to size restrictions.

★ **Is smoking and/or alcohol allowed on-site?**

No smoking or alcohol is permitted on-site. Guests are asked to leave the camp property if they wish to smoke.

★ **Do I need to bring my own bedding? Are the rooms heated?**

Yes, you will need to bring your own bedding for overnight accommodations (sheet & blanket or sleeping bag). A single/twin-sized sheet works best for all bunks. Some accommodation spaces are heated, see Table on Page 3.

★ **What paperwork is required and when is it due?**

The Booking Agreement and deposit is required to secure your trip. Proof of insurance must be submitted 2 months prior to your trip. Dietary restriction forms and informed consent forms (for activities) are due 2 weeks prior to your trip.

★ **Can you accommodate dietary restrictions?**

Dietary restrictions must be indicated on the forms submitted 2 weeks prior to your trip. An additional fee per person will be applied for a gluten-free, dairy-free, or vegetarian restriction. If the form is not submitted, we cannot guarantee last minute accommodations. Please list all allergies and other dietary restrictions on the form. For serious allergies/restrictions other than the ones listed, please contact us in advance to discuss options with our Food Service team.

★ **Do your staff meet the required standards for all activities?**

Our staff are trained to provide the activities that we offer in safe and fun ways. We have specialized staff where required, including NLS Certified Lifeguards and Level 2 High Ropes Course Instructors onsite. Staff operating the challenge course and rockclimbing have site-specific training provided by Adventure Works. Staff operating inflatables have amusement device-specific TSSA regulated training.

★ **Can we use the beach and participate in any waterfront activities during our trip?**

Swimming and kayaking must be requested and will be offered on a case-by-case basis. These activities depend on our staffing availability to meet safety standards. We do not conduct swim testing. We do not require swim tests. As an alternative to swimming and kayaking, we can have beach games (no water access), slip & slide, and other water activities on land to keep cool on hot days. Please communicate this request to us early in the planning process.
